

## Choosing Presentation Days

# Presentations of Utility Topic

- ▶ You have chosen topics
- ▶ You have a 30 min presentation to do during the last two weeks of class.
- ▶ There will be three per day for four class days.

# In Class

- ▶ Three people do presentations
- ▶ All in attendance will be asked:
  - ▶ Evaluate content
  - ▶ Presentation overall
  - ▶ Ability of person to respond to questions.
  - ▶ Pick one of the three as the best.

Note that there is some strategy on how to choose days.

# Day Preference Procedure

- ▶ Rank the four days
- ▶ I will randomize the order of the slips.
- ▶ Give people first choice until slots in day are gone.
- ▶ If your first choice is unavailable:
  - ▶ Give you second choice
  - ▶ If that is unavailable, third.
  - ▶ etc.
